Having the poem be 2 spots away precictibility-wise shows the algorithm beginning to break away from its understanding of sentence structure. This compared to only 1 predictability space away from the original was quite stark.

One must have a mind of a
To regard the frost and the as
Of the pine trees crusted with and
And have been cold a long I
To behold the junipers shagged with pair
The spruces rough in the distant were
Of the January sun; and not to in
Of any misery in the sound of the of
In the sound of a few we
Which is the sound of the claws
Full of the same gonna
That is blowing in the same bare as
For the listener, who listens in the these
And, nothing himself, matter
Nothing that is not there and the nothing that there

Poem only 1 space away for comparison:

One must have a mind of what
To regard the frost and the thaw
Of the pine trees crusted with needles,
And have been cold a long time,
To behold the junipers shagged with their
The spruces rough in the distant forest,
Of the January sun; and not to the
Of any misery in the sound of the war,
In the sound of a few more
Which is the sound of the rain...
Full of the same the
That is blowing in the same bare hands
For the listener, who listens in the foreground,
And, nothing himself, I
Nothing that is not there and the nothing that is
